Itinerary Changes

Sometimes HTP might need to modify an itinerary because of under enrollment or for operational reasons. HTP reserves the right to make changes in fees, departure dates, departure cities, order of itinerary, trip direction, airlines, hotels, activities, ships or cruise ports-of-call. On certain dates, such as holidays, some attractions or activities may be closed. HTP reserves the right to substitute attractions or activities. Such changes are not grounds for withdrawal with full refund.

International Flights

HTP uses regularly scheduled flights. Equipment and flight itinerary may be modified by the direct air carrier or by HTP. HTP tries to book the most direct flights but this is not guaranteed.

HTP is not responsible for flight delays, missed connecting flights, long layovers or any expenses related to such delays.

Groups are not guaranteed to travel together on the same flights. In such a case that a group is traveling separately, the group leader will determine who will travel on each flight.

Each participant must travel on all legs of the program flight itinerary. If a participant misses one portion the remaining portions will be cancelled. The participant will be responsible for purchasing a new ticket and any other fees charged by the airlines.

Special Travel Requests

If a participant would like to fly separately from the main group HTP is happy to make alternate arrangements. Please email all requests to: specialtravel@harttravelpartners.com. To ensure accuracy this cannot be done over the phone. Special travel is subject to \$150 fee plus any extra airline fees. Special travel is not confirmed until the fees have been paid. Such special requests include:

- Fly from a different U.S gateway than the rest of the group: Participants are responsible for making their own way to the first hotel and to the airport from the last hotel on the program. Participants must return to the same U.S airport they departed from.
- Extending stay at a destination: Participants are responsible for making their own way to the first hotel and to the airport for their return to the U.S as well as all land arrangements related to their individual itinerary.
- Making independent flight arrangements: HTP will charge a land only price upon request. In such cases participants are responsible for making their own way to the first hotel and to the airport from the last hotel on the program. HTP is not responsible for travel-related delays or inconveniences for land only participants.

Duration of Program

Each program begins upon take-off from the departure airport in the USA and ends upon landing at the return airport in the USA. For participants making their own flight arrangements the program starts upon arrival at the first hotel and ends upon departure from the last hotel in the program. The official HTP program does not include extended travel arrangements made before or after the program.

Enrollment/Payments

HTP recommends that participants register as soon as possible as flights and hotels fill up quickly. Participants should register with their names as they appear or will appear on their passports. The registration form is available on www.harttravelpartners.com. HTP will assess a \$150 name change fee plus any additional airline charges for any registered participant who requests a name change in writing.
